

## Farm Tours 2011-2012 Schedule

### October 15<sup>th</sup>, Saturday @1:30PM

Folks will be guided around our farm by Farmer Tim and can taste our fresh veggies right off the plants.

Learn about composting, sustainable farming and chemical free gardening.

We will have a cooking demonstration given by Robin Migalla following the tour!

### November 19, Saturday @ 1:30 PM:

**Fall Crops:** What's growing under the hoops?? Is our compost-heated hot bed still warm? How we store root vegetables.

### December 10, Saturday @ 1:30

**Farming in the Snow:** Tasting winter crops. Light therapy in the hoophouse (if it's sunny!) Is anything still growing

### January 2012

What can we harvest during January? ,Let's see what's in our root cellar!

**February/ March, 2012, Maple Sugaring Tour! (Date will depend on the weather)**

See how we tap the maple trees and collect the sap, and boil it down to make the most delicious, all natural maple syrup! Also, we're planting spring crops!
